

## Strengthening the Cultural Ties through Music

### Introduction

It is with pleasure that the Għaqda Nazżjonali Każini tal-Banda is finalising this project which is close to its objectives. That is to see a continuous improvement in our local wind band societies.

With this in mind we invite all the eligible persons to apply to be able to participate in this job shadowing experience in one of the 3 musical institutions. These musical institutions have agreed to collaborate with Għaqda Nazżjonali Każini tal-Banda and have their professionals share their professional expertise with those that will be selected.
